

BUILDING TRUST

Fotor.com started monetizing its inventory via PubGalaxy at the end of 2014. Due to the steady growth in revenue, it was easy to build trust in PubGalaxy's expertise. PubGalaxy advised on various aspects of the ad monetization industry trends and counseled on optimizing Fotor's ad layout. This included ad spot and size optimizations and real-estate utilization, leading to 24% growth in RPM.

GOING PREMIUM

The outstanding results that Fotor saw throughout the partnership allowed them to gain confidence and entrust PubGalaxy with their entire traffic, which was managed exclusively by a third party before that. The result that Fotor saw was that the achieved **RPMs** were **88.5% higher than the committed**.

88.5%

**Higher RPMs than
the committed**

THE RESULTS

59%

Avg. Increase in Net Revenue

The average increase of Net Revenue, achieved over the 2 years of partnership. Dec. 2015 vs 2016 we achieved **374% growth in Net Revenue**, whereas ad requests only grew by 68%.

10%
